

### **Maldives Tour**

The Maldives is the most celebrated group of islands in the Indian Ocean and perhaps the world over. The stunning beauty of its turquoise lagoons and pristine beaches is simply unrivalled. The Maldives islands are one of the few places on earth that everyone hopes to experience in their lifetime—and once you see it, you are forever enamoured. The Maldives is a collection of 1,192 coral islands located in the Indian Ocean close to the Indian subcontinent. The Maldivian archipelago comprises of 26 natural coral atolls – a chain of islands formed from coral reefs, that grew around a submerged volcanic mountain. The country is home to 300,000 people who live on 192 islands. Most of the remaining islands are left untouched for the ecosystem to flourish. Close to 100 islands have been transformed into tourism hubs that form the backbone of the Maldivian economy.
